

Distributor Discount Promotion

The Growth Partner Program is aimed to improve Tridium's relationship with its direct resellers and to enable and support them in their effort to successfully promote and sell Niagara Framework® and related services and solutions. As a part of the Growth Partner Program, and our focus on supporting and enabling the Niagara Framework distribution channel, we are glad to present the Distributor Discount Promotion Program.

The Distributor Discount Promotion is created to recognize the outstanding results of top Tridium distributors globally, support them in continuous future growth, and reward them for the outstanding achievement of reselling Niagara Framework® by providing those who qualify with an additional multiplier discount.
